

## Tender for the Supply of Uniforms for NATCO Drivers

NATCO invites tenders from experienced and reliable companies for the supply of standard uniforms for its drivers. This tender can only be submitted by companies that have previously provided similar services and have proven expertise and capabilities in this field.

### 1. Tender Details:

- **Quantity and Description of Uniforms:**

- Provision of complete uniform sets for drivers (including all necessary wearables such as trousers, shirts, pants, hats, and other essential accessories).
- The quality of the uniform must be high, durable, seasonally appropriate, and comfortable.
- The color, design, and material of the uniform should be in accordance with NATCO branding.

### 2. Uniform Features and Quality:

- **Material:**

The material used for the uniforms should be colorfast after washing, soft, strong in stitching, and resistant to weather conditions.

- **Design:**

The design should be simple, professional, and in line with the company's identity.

- **Size Availability:**

Uniforms should be available in various sizes to ensure proper fitting for all drivers.

- **Fit:**

The uniform should fit in a way that drivers experience no discomfort or obstruction while working.

### 3. Delivery Schedule:

- The selected company must clearly present the delivery schedule and the final date of delivery.

- The complete process of uniform delivery must be completed within 30 days.
- The companies included in the tender must determine that they have the full capability and experience to manufacture the uniforms.
- The selected company must produce and inspect the uniforms with an expert team in accordance with NATCO requirements.
- Companies must provide full details of the material, samples, prices, and delivery schedule along with their bid.
- All interested companies should submit their complete tenders to NATCO office by 25/11/2024.
- All interested companies can either submit their tender applications and required documents in person at NATCO head office Gilgit or send them to [www.natco.gov.pk](http://www.natco.gov.pk)
- NATCO reserves the right to reject any tender or make any changes in the selection process.
- All tender documents must be complete and certified.
- Companies applying for the tender must provide details about their financial status, factory information, experience, and previous projects.
